Message from ThinkStartup Founders

As you flip through these pages, you'll embark on a journey of innovation, creativity, and entrepreneurial spirit; and you will know that **the future is here**. Each page is a remarkable story of the enormous potential of school students.

For us, Youth Ideathon is more than just a competition; it is unleashing of the movement that has taken our country by storm. A movement that ignited the spark of innovation in thousands of young hearts. It is a platform where dreams take flight, ideas become prototypes with the goal to shape the future of India.

We are incredibly proud of every participant who took part in this journey. Your dedication, hard work, and innovative thinking have left an indelible mark on the future of our nation.

We believe, this souvenir is not just the reminder of student achievements, but an inspiration to stakeholders about how we can go beyond regular classrooms to design an exciting journey of innovation and entrepreneurship.

Congratulations once again!

ABOUT YOUTH IDEATHON

YOUTH IDEATHON is India's largest festival of ideas for school students of class 4th to class 12th. It is an annual event brought about by collaboration between key partners from government and industry. It is organised by **ThinkStartup** and **Management & Entrepreneurship and Professional Skills Council (MEPSC)** under Ministry of Skill Development & Entrepreneurship (MSDE) in association with Central Board of Secondary Education (CBSE).

Top 100 Teams at Youth Ideathon 2024 Grand Finale at IIT Delhi

“I startup a good thing for India”

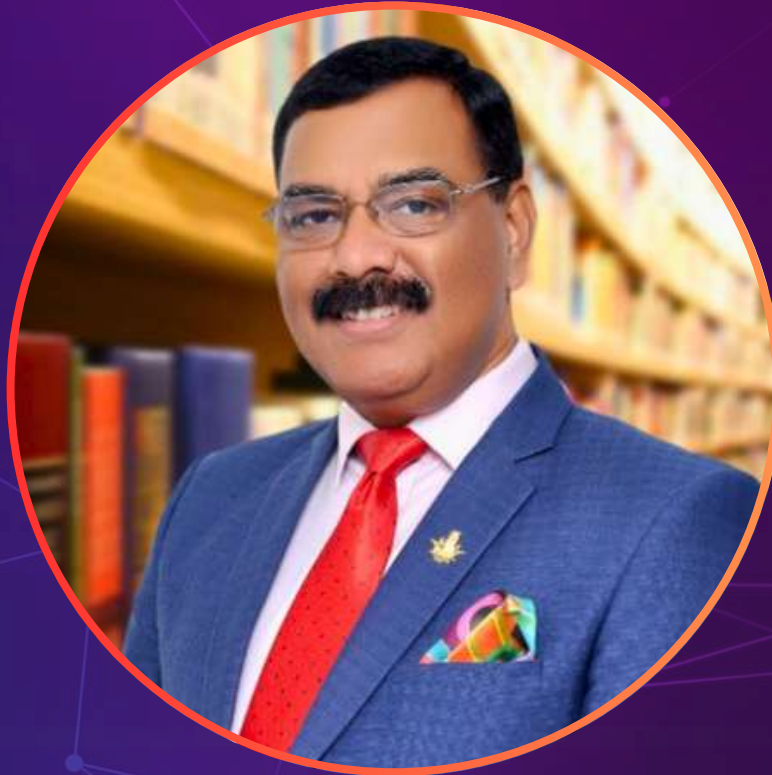

The Youth Ideathon initiative aims to encourage school students to dream big, instill innovation mindset, provide incubation support and funding avenues to powerful ideas in schools. In addition, it also endeavours to recognise school teachers and schools who are promoting new age skills in the areas of entrepreneurship, innovation, design thinking and financial literacy to build a robust ecosystem for entrepreneurship in K-12 schools.

OUR PARTNERS

KEY MESSAGES

Mr. Anil Kumar Pokhriyal

Chief Executive Officer

Management & Entrepreneurship and Professional Skills Council

“This competition is not just about innovation; it’s about building a stronger, self-reliant India driven by young entrepreneurs. Youth Ideathon 2024 has proven that India’s school students are brimming with ideas and potential. Our role is to provide them with the right tools and opportunities to turn their ideas into reality.”

Dr. Biswajit Saha

Director (Skill Education & Training)
Central Board for Secondary Education

“Entrepreneurship is an essential pillar of the New Education Policy 2020 and Government of India has taken several steps to build entrepreneurial thinking in all students. Youth Ideathon platform allows students to think bravely and showcase their talents.”

Mr. Prakash Kumar

Deputy Managing Director

Small Industries Development Bank of India

You are the architects of India's future. Your ideas have the power to transform industries and uplift communities. Youth Ideathon 2024 provides a unique platform to showcase your brilliance and turn your dreams into reality. Embrace this opportunity with passion, determination, and a vision for a prosperous India.

Mr. Agendra Kumar

Managing Director
Esri India

“We stand at a crucial moment where sustainable solutions are essential. Youth Ideathon 2024 harnesses young minds' creativity to tackle social, environmental, and economic challenges, perfectly aligning with our mission to foster innovation and sustainability.”

Prof. Subodh Sharma

Associate Dean
(Outreach and New Initiatives)
Indian Institute of Technology, Delhi

"Skills like teamwork, effective communication, and rational decision-making are invaluable and highly transferable in today's world. Platforms like Youth Ideathon offer high school students a remarkable opportunity to develop these abilities, learn from their peers, and apply their skills in a competitive yet supportive environment."

Mr. Anku Jain

Managing Director
MediaTek India

“The Youth Ideathon gives students the chance to experience the full journey of entrepreneurship, including ideation, pitching, prototyping, and even marketing their products at the expo. This holistic approach prepares them for future success.”

Making innovation happen is never easy. But when we saw the spark in the eyes of our young participants, we knew we were onto something special.

Youth Ideathon 2024 was a celebration of young minds, a showcase of the power of creativity, and a belief that we are passing future into safe hands. From the initial spark of an idea to the grand finale at IIT Delhi, it's been an incredible journey involving students, teachers, parents, founders and funders, CEOs, policy makers, innovation gurus, school principals, research scholars, and so on.

Our heartfelt gratitude to every individual who contributed to the success of this event.

A special thanks to our esteemed sponsors, institutional partners and judges. Your unwavering support has been instrumental in shaping the future of these young entrepreneurs.

We look forward to your continued support to inspire our next generation of leaders. Together, we have a collective responsibility to build a better future.
